## Cutting Edge Exhibition 2006

**Sandown Park - Sunday 24th September 2006**  
**Doors Open 9.30AM**

Standard Engineering will be there bringing you the best in repair machinery.

Pride of place will be the Model 710 Finisher. This is an updated version of the Model 700 which has been the industry workhorse and most popular finisher in the UK for the last 30 years.

With improved extraction, better ergonomic design and a more effective array of tooling options this is the machine you have been waiting for!

Familiar enough to use but different enough to enhance productivity.

Come and talk to us about machines, service, parts and finance.

**Standard Engineering**  
**Best placed to service all**  
**your requirements**

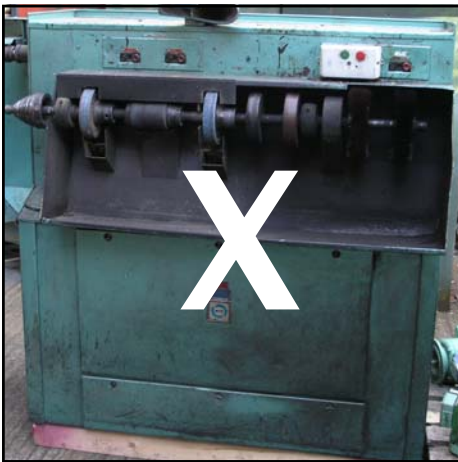

# The National Shoe Repair Week and Standard Engineering

Standard Engineering wholeheartedly supports and endorses the National Shoe Repair week (11th - 16th September 2006)

We believe this is an opportunity to raise awareness for the industry in general and your shop in particular. This is the chance to attract and retain new customers and bolster your business.

For further details please see the July issue of Cutting Edge.

Mind you, when the army of new customers descend on your shop how would you like to greet them? With tired, old, dirty machines or with something better?

Fully reconditioned finishers from only £4995.00.

Brand new finishers from only £6499.00.

## Want a new machine but not sure the best way to go?

We have a number of leasing options with competitive rates.

Don't settle for second best when you can lease the machine you NEED rather than the one you can presently afford. Improve your cash flow and don't forget leasing is 100% tax allowable. Call us for details. All leasing is offered subject to status.

### The "Small Print"

All prices quoted are subject to VAT and possible delivery charges. Reconditioned & second-hand machines are offered subject to prior sale. All leasing offers are subject to status, and are exclusive of VAT.
