Why buy a new machine from Standard?

- S** Smarter looking machines - gives your customers more confidence in your business
- T** Tried and tested machinery in a modular design to allow any combination of machines to look as good as they work
- A** Additional tooling options to create the machine YOU want
- N** Nationwide service cover operated by our dedicated Service Desk and 6 fully trained service engineers
- D** Dust free environment - spend time repairing rather than cleaning
- A** Aurally beneficial. Quieter machines can only be good for you, your neighbours and your customers
- R** Reliable new machinery affords peace of mind
- D** Deductable! Capital equipment is tax deductible. Ask yourself who is more deserving? You or Gordon Brown?

Do you want to come and try our machines in our new showroom?
