

Standard Engineering Ltd.

January 2010 - New Year!

A New Year - A New Start!

With the metaphorical green shoots of recovery very much in evidence (even if they are buried under actual snow), now is the time to replace your old or worn machinery and meet the forthcoming business challenges head on.

At Standard we offer the full range of repair machinery, in both new and refurbished condition, and are ready to help at the end of a telephone.

We build and supply finishing units from small one-man operations up to larger units which could be used by 3 - 4 operators at once.

The new Model 720 Finisher with the Standard 625mm Pressbench.

All the shoe repair machinery you need in under 2 metres, or six and a half feet in old money!

The 720 offers improved dust management, more working room around the tooling allied to a tried and trusted design.

This brand new, British-built unit is available from just under £14000.00.

**Standard -
offering solutions**

For more information relating to the range of machinery and services we offer please visit our website -

Standard Engineering Ltd.

Ever Changing Website

There is a wealth of information on our website that you may or may not be aware of. Did you know that all our new machinery brochures are now downloadable? Or that our part numbers and descriptions for the most common consumables on a range of finishers can now be easily accessed?

Have a look today at www.standardgroup.co.uk

Our Showroom

If you would like to “try before you buy” our showroom is full of our machinery - just waiting for you to come and play!

Call us on 01536 517 070 (option 3) to let us know when you would like to pop-in for a chat and a demonstration.

New Machinery!

We have sourced an excellent short-arm manual patcher for all of you out there still mourning the lack of Singer patchers in the market place.

This is the best device of this type we have seen, and is offered new with full parts back-up.

For more information please feel free to contact us by telephone on 01536 517 070 (ext 3), or via email at sales@standardgroup.co.uk.

We can even be reached by the good old fax on 01536 410 755! Now, you've no excuses!
