

Standard Engineering Ltd.

March 2009 Hotline!

Service from Standard

Is your finisher noisier than it used to be?

Is it dustier?

Do your pads and brushes need replacing?

When was your dustbag last changed?

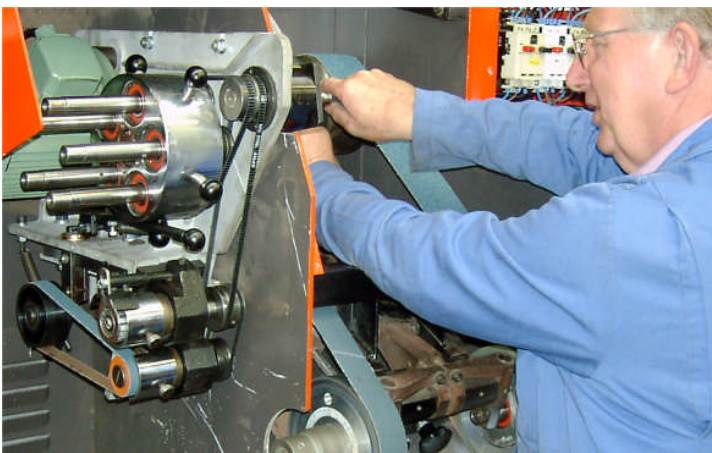

We offer a machinery **HEALTHCHECK** to make sure your machinery is running as efficiently and safely as possible.

We offer complete, full-time nationwide service cover.

Most makes and models of machine catered for.

Our rates are highly competitive.

A trained service engineer is only a call away. Please call our Service Manager Nick Stewart on 01536 486 101, or email him at nick@standardgroup.co.uk.

Standard Engineering Ltd.

March 2009 Hotline!

**The only genuine “Geneva”
thread is available
exclusively
from Standard!**

There are many options when it comes to choosing braided thread. Some of the cheaper threads are of poor quality and are the cause of many stitcher issues.

We have lost count of the number of times we have resolved a customer’s stitcher problems simply by supplying our own genuine “Geneva thread”.

As well as being competitively priced, (from £18.00 per cop) we have generous discount breaks for larger orders and well-stocked shelves.

Call our stores on 01536 486106 today.
For genuine Geneva thread.

Do you need scouring bands?

1500mm x 75mm x 24Grit
ONLY £5.27 each (pack 10)
