

Standard Engineering Ltd.

November Hotline from Standard

Fully reconditioned single phase Model 700 finishers do not come along very often.

For a limited time we can offer such a machine, complete with a matching press.

First person to lay down a deposit gets to reserve these machines.

Call today on
01536 486 107

The machine shown is an example of a previously reconditioned Model 700. The actual finisher has not yet been reconditioned, and consequently can be painted in any colour to suit you.

For more information relating to the range of machinery and services we offer please visit our website -
