Technical Update

Significant Power Savings!

With the rise in electricity costs a new Infra-red heat setter will give you significant savings in addition to total control over this process.

The annual savings on each machine could be in the region of £5000.00!

If you would like more information please contact me
07939 243 375 or
tony@standardgroup.co.uk.

I will be happy to discuss this machine in detail.
